- Childhood check-ups and immunizations
- Complete physicals for sports participation or employment
- Preventative medicine screening care (scheduling mammograms, routine colon cancer screening evaluations, prostate cancer screening, cholesterol screening, blood pressure screening, etc.)
- Collaborative care of patients with chronic medical illnesses (high blood pressure, diabetes, heart disease, emphysema, etc.) throughout various stages of their illness

Providers

Theresa Coomer, M.D., is board certified in internal and pediatric medicine. Dr. Coomer has provided quality care to the Gurley community since January 2005. Prior to coming to Mountain View Family Medicine, Dr. Coomer was an assistant professor of internal medicine and pediatrics at The UAB School of Medicine at the Huntsville campus.

Melissa S. DeBerry, M.D., a family practice physician who completed her residency at the Valley Baptist Medical Center in Harlingen, Texas. Dr. DeBerry has also received the Commendation and Achievement Medals from the United States Air Force. In addition, Dr. DeBerry has a special interest in the geriatric population.

V. Gail Prentice, CRNP, a family nurse practitioner, is certified by the Alabama Board of Nursing. Ms. Prentice joined Mountain View Family Practice in July 2005.

Scheduling appointments

Office visits are by appointment only. Appointments may be scheduled by contacting the clinic directly. Be prepared to provide:

Current insurance information

Mailing address

Daytime/evening/cell phone numbers

On the day of your appointment, please allow time for registration. In addition, please bring the following items to your appointment:

Current insurance card

Method of payment

Current medications or a complete list of medicines with doses, including all over-the-counter medications, herbs and vitamins

Cancelling appointments

If it is necessary to cancel an appointment, please notify the clinic at least 24 hours in advance. This is an important courtesy to others waiting to schedule an appointment.

Telephone calls

All messages are given to the appropriate personnel as soon as possible, and every attempt is made to return telephone calls during regular work hours. There are times, however, when we cannot answer calls within the same day they are received. Please tell the receptionist if your call is urgent, if it must be returned the same day or if a response is needed by a particular time. Again, so that we can accurately reach you, please confirm your telephone number with the clinic.
