

Kimberly L. Limbo, MD

Dear Parent,

Thank you for choosing Huntsville Hospital Pediatric Neurology for your child's medical care.

Our website should help answer any questions about our office. We want you to know about our office services and what to expect at the time of your visit. Please complete the online New Patient Forms prior to your appointment. The completed forms must be returned to our office before your child's appointment date via mail or fax.

On the date of your child's appointment, please bring your identification cards, insurance cards, list of medications, as well as method of payment for your co-payments and/or deductibles. We ask that all patients arrive 15 minutes prior to the appointment time so your child can be seen by the doctor at the scheduled time.

If you are unable to keep your appointment or if you are going to be late, please call our office at (256) 265-1775 as soon as possible. We will be happy to reschedule a more convenient time for you.

Please note that all appointments must be confirmed at least 4 business days prior to the appointment. Failure to confirm will result in the cancellation of your child's appointment.

Sincerely,

A handwritten signature in black ink that reads 'Vanessa Schulte'.
