

NO VISITORS ALLOWED

by order of Governor Kay Ivey and the
Alabama Department of Public Health

Exceptions:

One support person over the age of 16 may remain with the patient in the following circumstances:

- *Pediatrics*
- *Maternity*
- *End-of-Life*
- *Compassionate care situations*

Approved support person is not allowed in ICU's or patients in isolation except Pediatrics/Pediatric ICU/Neonatal ICU

Screenings for fever will be performed on all support persons and no one with a temperature of 100.4° or greater will be allowed to enter.

Thank you
