Application for the
Huntsville Hospital High School Nurse Camp

Calling future nurses!

Nurse Camp Paperwork Submission:

Completed Nurse Camp paperwork should be submitted to:

NURSE CAMP CONTACT: Kaneesha McNeely, t: 256-265-8105, email: kaneesha.mcneely@hhsys.org.

Dear Participant,

Huntsville Hospital has partnered with the Alabama State Nurses Association to offer the first **Nurse Camp** for high school juniors who are interested in the nursing profession. This three day camp will be offered at Huntsville Hospital and will give students an opportunity to experience firsthand what nursing is like at Huntsville Hospital.

The camp will feature various learning activities including infection prevention, first aid training and disaster management as well as in-hospital shadowing time. Huntsville Hospital nursing leadership, Human Resources and several local colleges will be present during the camp to provide career guidance and employment opportunities for participants.

The focus of this camp will be on Medical, Surgical and Neurologic floors of Huntsville Hospital. All shadowing experiences will take place in one of these areas

Thank you for sharing your interest in Huntsville Hospital's High School **Nurse Camp**. The goal of our program is to provide experiential learning opportunities to help you learn about health careers through observation. Although program participants will have the opportunity to see, first hand, the healthcare workplace and the day-to-day work of professionals in the health care field; participants are not permitted to take part in hands-on patient care.

There are a few key facts about the **Nurse Camp** that you need to know:

1. Program Eligibility

Participants must meet the minimum age requirement of 15 years of age, or be at least a High School junior in order to be eligible to participate in the **Nurse Camp**.

2. Shadowing Experience

- The Nurse Camp shadowing experience allows a student to shadow/observe for a total of **2 hours on Day 2 & Day 3** of the program.
- When shadowing in our facilities, our patients will need to consent to allow the student to enter their patient care area. Due to this requirement, areas with patients that are not alert and able to consent will be off limits for Nurse Camp participants.
- Students may begin once they have submitted: a completed Nurse Camp Application, a current negative Tuberculin Test, and received a badge.
- Each match between a student and an employee (non-provider) is based on a careful process. Nursing Leadership will make every attempt to provide an experience in the area of interest submitted by a student on the application. Availability and schedule limitations within our organization also play into determining placement opportunities.

3. Pre-requisites to Participate

Prior to attending **Nurse Camp**, applicants must submit the following completed paperwork:

- A completed **Nurse Camp Application** is required to begin. The application form includes several sections that must be complete and signed:
 - A **HIPAA** (Health Insurance Portability and Accountability Act) **Test**
 - A **Rules for Participation Form**
 - An **Affirmation Statement**
 - A **Hold Harmless Form**
- A **Current, Negative Tuberculin (TB) test** from your doctor or student health center is also required. The test should be **read within a year to be valid**. Students must provide the certificate of results from your family physician or other primary care provider. Please note that if the testing is completed by a TB Skin test, the process takes 48 hours between the TB injection and the reading by a physician. For a \$25 fee, the Occupational Health Group is another local resource for Tuberculin testing (located at 1104 Monroe Street, Huntsville, Alabama, 35801).
- Proof of Measles, Mumps, and Rubella (MMR) vaccine and Varicella vaccine.

All paperwork needs to be submitted to the Nurse Camp contact. Once we receive your complete paperwork the participant will receive an email notification. Your packet can be emailed to: Kaneesha.mcneely@hhsys.org.

If you have any questions contact us at (256) 265-8105 or email at kaneesha.mcneely@hhsys.org.

We look forward to helping you start your career journey in healthcare, and hope your experience will be rewarding.

Regards,

Kaneesha McNeely

1445-1530	First Aid Kit creation			1530-1600	Closing Ceremony
1530-1600	Wrap Up				

Nurse Camp: Rules for Participation

Participants have a responsibility to adhere to the Program Rules during their time in the organization. Below are the guidelines for participants.

Badge

Participants must wear a Nurse Camp Participant/Shadowing badge at all times when participating, and return the Shadowing badge at the end their participation. Badges must be worn above the waist, and easily visible.

Clothing/ Attire

Participants are expected to demonstrate professionalism and good judgment concerning conduct, make up, clothing, personal hygiene, jewelry, and appearance. Clothing must fit, be clean and pressed, be appropriate for your size, and not drag the floor. We require that you observe the following specific standards regarding personal appearance and neatness while observing in the hospital:

- We encourage participants to wear slacks, khaki pants, or knee length skirts to Program events.
- No shorts, blue jeans, work-out sports clothing, or miniskirts are allowed. Pants should not reveal the midriff or back area.
- We encourage participants to wear closed-toe shoes, which are required when in clinical areas.
- No artificial nails are allowed in clinical areas; these nails are known to harbor and grow bacteria and are in conflict with infection control and prevention guidelines.

Cell Phones and Social Networking

During shadowing, participants are asked to put away their personal cell phones, Bluetooth devices, and other personal technology. Taking photos during time on campus is prohibited. Participants are prohibited to use social media during shadowing.

No Smoking/ Tobacco Use Campus

We remind participants, Huntsville Hospital is a smoking/tobacco-free campus; no tobacco use is allowed. Also, if you have a smoke/cigarette smell on your person or clothes, you may be sent home to change your clothing and eliminate the smell before returning.

Exhibiting Signs of Illness

If a participant has a fever of $\pm 100^{\circ}\text{F}$, has a positive COVID-19 test, has an upper-respiratory infection, exhibits diarrhea or vomiting; they are not allowed to shadow. If a student has recently had an upper-respiratory illness they may be required to wear a mask while on campus.

I have read and understand the Rules of Participation. I understand that if I participate in the Nurse Camp Program, I will adhere to this policy, or I will not be allowed to participate.

HIPAA Foundations Training

Introduction

- At Huntsville Hospital, privacy of patient information has always been considered a basic right.
- What can happen when protected health information is inadvertently exposed? Personal harm to individuals, embarrassment, community mistrust, lawsuits, etc...

What is HIPAA

- HIPAA stands for **Health Insurance Portability and Accountability Act**. HIPAA is a relatively new federal law that protects Protected Health Information, or **PHI**.
- The law allows for penalties such as fines and/or prison for people caught violating patient privacy.
- HIPAA Privacy Regulations became **effective in April 2003** and the Security Regulation in April 2006.
- Part of our compliance with the HIPAA law is to provide the required awareness training for employees and workforce members.

Protected Health Information

- Protected Health Information (PHI) is **about patient information – whether it is spoken, written, or on the computer**. It includes health information about our patients. It can be information as simple as their name.
- Certainly we can share PHI when it is part of our job to do so, but beyond that you may have broken the law if you share patient information.

Need to Know

- A good way to determine if you should share patient data is to ask yourself... **“Do I or others need this information to do the job?”** Use this little test before you look at patient information or share it with others.
- Sometimes you may inadvertently hear or see information that you don't need to know. If so, just keep it to yourself.

Dispose of PHI Properly

- Dispose of PHI ONLY in **approved**, secure trash or shredding bins. PHI should never be disposed of in trash bins in public areas.
- **If you see PHI in the trash in public areas, notify the supervisor immediately.**
- If you transport PHI, make sure it is secure when not in your sight, such as a locked vehicle.

The Privacy Officer

- **At HH we have a person responsible for insuring that privacy is maintained – The Privacy Officer.** However, no one person can know if we have a possible threat in every area of such a large organization.
- Each of us must do our part to protect patient information. **You should always report possible privacy problems to the manager in your area or to the Privacy Officer.**

Co-Workers, Friends, and Family

Situation: You hear about a friend that has had surgery, so you call a nurse on that floor to find out the details.

- Friends and co-workers deserve the right to privacy just like any other patient. You are not permitted to access or disclose PHI of any friend or family member (including your parents, siblings, spouse, children, etc.) You may only obtain/share information that is necessary to perform a legitimate job function.
- **You may personally ask the individual you know about their condition, and it is their choice what to share with you.**
- You may also ask their permission to share their information with a common friend, but you should never do this without their permission.

“Don't be Curious”

Situation: You like to look at the patient directory or surgery schedule daily to see if you know anyone.

- This is not within the scope of your job at this hospital.
- You are in violation of HIPAA laws and Huntsville Hospital policies.

Respect the Privacy of Patients

Situation: You are working in an area where caregivers are discussing health information with a patient, a family member, or another caregiver.

- You can ask if you need to leave the area.
- You may quickly finish your task and leave.
- You must keep any health information you overhear to yourself.

Protect information in your Possession

Situation: In the process of doing your job, you use a list that contains patient names and possibly other patient information.

- You should keep the information in your possession at all times.
- You should make sure that it is protected from others who would not need the information.
- You can turn it over so the information can't be viewed.
- You **should make sure when you are finished with the information that you have disposed of it properly.**
- Your supervisor may give you instructions for disposal of PHI.

HIPAA Fundamentals Test

This completes the fundamental overview of the HIPAA regulations. You now know and are responsible for what is required of you as an employee of Huntsville Hospital.

HIPAA laws also require that we keep a record to show that you have been trained in patient privacy. You should now take the HIPAA FUNDAMENTALS TEST.

HIPAA Fundamentals Test

Name _____

Date _____

___ 1. HIPAA stands for:

- a. Health Information Protection Agency Association
- b. Human Instinct Protection Association Awareness
- c. Health Insurance Portability and Accountability Act

___ 2. PHI stands for:

- a. Patient Health Initiatives
- b. Personal Health Institute
- c. Protected Health Information

___ 3. The Privacy HIPAA law became effective:

- a. As soon as everyone in our hospital is trained
- b. April 2002
- c. April 2003
- d. December 2002

___ 4. Patient Information is protected when it is:

- a. Spoken
- b. Written
- c. On the computer
- d. All of the above

___ 5. If you are in a public area and you see PHI in the trash, you should:

- a. Report this to a supervisor
- b. Dispose of it properly
- c. Show it to a friend
- d. Both a. & b.

___ 6. The Privacy Officer is responsible for:

- a. Checking the trash
- b. Pulling medical records of patients
- c. Making sure Huntsville Hospital protects patient information

___ 7. You should ask yourself before you view or share patient information:

- a. Is this a personal friend or a relative not under my care?
- b. Will anyone see me reading this?
- c. Do I need this to do my job at Huntsville Hospital?

___ 8. Patient information that I use for my job:

- a. Isn't important to anyone else
- b. Should be protected until I have disposed of it properly
- c. Is the responsibility of my manager

___ 9. If I want to know about a friend that I see in the hospital, I should:

- a. Look at their medical record
- b. Ask the nurse
- c. Ask the individual

___ 10. If you see another person violating the HIPAA Privacy Laws or the HH Policies:

- a. You should ask them to stop
- b. Ignore it and mind your own business
- c. Report it to your manager or the privacy office (256-265-9257)

Minimal Safety Orientation

For non-Huntsville Hospital Staff, or those here for a short time, the following minimal safety orientation applies:

1.) **CODE RED – FIRE AND THE IMMEDIATE RESPONSE TO FIRE**

R = RESCUE - persons in Immediate Danger

A = ALERT - others, pull fire Alarm Box & dial x-45555

C = CONFINE - close doors to limit oxygen

E = EXTINGUISH OR EVACUATE - determined by person discovering the fire

2.) **CODE PINK** – Is called if an infant is missing/ the abduction alarm has been activated. If spotted call Security at 256-264-5555

3.) **CODE AMBER** – is called if a person is missing; and if spotted call Security at 256-264-5555

4.) **CODE GREEN** – is related to the disaster plan being **Alerted** or **Activated**. Check with the leadership for next steps.

5.) **CODE BLACK**– is called if there is a bomb threat; if spotted do not touch, but call security 256-264-5555

6.) **ACTIVE SHOOTER**– Active shooter on campus, call security if spotted 256-264-5555

7.) **SEVERE WEATHER** - Tornado in the medical district. Move all patient and visitors from windows and into the hallways

You should know the location of all the following, in the area of work/observation:

- Emergency Exits
- Fire Extinguishers
- Fire alarm pull stations

Affirmation Statement on Security & Privacy of Information

My signature below verifies that I have read and commit to the Huntsville Hospital requirements for confidentiality of protected health information (PHI). Additionally, I am aware of and will follow hospital policies regarding the Privacy and Security of PHI including the use, disclosure, storage and destruction of PHI. I will only access patient information that I need to do my job at the Hospital. I will not access (via I-Care, WellSoft, Mckesson, 1Chart, etcetera) patient information of family members (i.e. children, spouse, etc), co-workers, or other people that is not required to perform my job.

Confidential Information includes PHI as well as information concerning quality assurance functions, contracts, business arrangements, employee information and propriety information relating to the hospital's finances, operations or future plans as described in Administrative Policy "Confidentiality."

As part of the terms and conditions of my employment or association, I hereby agree and accept that I will not, during my employment (or affiliation) or after it ends, access PHI, or disclose confidential information except as required for my job duties and in accordance with all policies and laws governing disclosure or Release of Information.

I agree that user identification codes and passwords will not be shared. Neither will I make an attempt to learn or use another employee's or associate's passwords. I am responsible for the use and protection of my unique computer log-ins (passwords).

If I am an instructor, I understand that I assume responsibility for the actions of the students under my supervision to comply with the Security and Privacy of Information Policy.

If I am a physician, I understand that I assume responsibility for the actions of my employees or office staff to comply with the Security and Privacy of Information Policy.

Training: Members of the hospital workforce receive training on security and privacy during New Employee Orientation and during annual required training. Any updates or changes to policies will be communicated via staff meetings, intranet and/or mandatory requirements tests. Annual Renewal: I acknowledge that I know where to find policies for Privacy, Confidentiality and Compliance.

Corporate Compliance: It is my responsibility to follow policies and regulations as well as State and Federal laws. I understand that I am responsible for knowing the rules and policies that apply to my job. The hospital has a Corporate Compliance program to assist my knowledge of the rules. The hospital also monitors compliance with Federal and State laws and regulations, which includes my use of hospital equipment and information systems. I am not aware of any violations of policies, laws or regulations and agree to report any violations to the Corporate Compliance Officer. Questions about whether actions taken by the hospital are legal should be referred immediately to the appropriate supervisor, or to the Corporate Compliance Officer.

Computer Applications: I further understand that I may be provided access to certain hardware and software applications, some of which may be proprietary to their respective vendors. I agree to keep the hardware and software applications confidential, to not disclose to third parties, and to use such hardware and software applications only for the benefit of Huntsville Hospital.

Exclusion List or Status: I confirm that I have not been excluded by the U.S. Government from participating in any governmental program nor, to the best of my knowledge am I under investigation. I agree to notify the Corporate Compliance Officer immediately upon my receiving written or verbal notification that I am proposed for exclusion from any governmental health program.

I understand that a violation of this affirmation statement could result in disciplinary action up to and including termination of employment/contract/ association/appointment and a report to my professional regulatory body. Additionally, federal law provides for the imposition of fines and imprisonment pursuant to HIPAA violations.

The Healthcare Authority of the City of Huntsville d/b/a Huntsville Hospital

Waiver of Liability and Hold Harmless Agreement

1. In consideration for receiving permission to participate in Huntsville Hospital's Job Shadowing, Medical Venturing, or Internship or other Healthcare Observation Program (hereafter referred to as "the Program"), I hereby release, waive, discharge and covenant not to sue Huntsville Hospital, its officers, servants, agents and employees (hereinafter referred to as "releasees") from any and all liability, claims, demands, actions and causes of action whatsoever arising out of or relating to any loss, damage or injury, including death, that may be sustained by me, or to any property belonging to me, whether caused by the negligence of the releasees, or otherwise, while participating in the Program, or while in, on or upon the premises where the Program is being conducted, while in transit to or from the premises, or in any place or places connected with the Program.
2. I am fully aware of risks and hazards connected with being on the premises and participating in the Program, and I am fully aware that there may be risks and hazards unknown to me connected with being on the premises and participating in the Program, and I hereby elect to voluntarily participate in the Program, to enter upon the above named premises and engage in activities knowing that conditions may be hazardous, or may become hazardous or dangerous to me and my property. I voluntarily assume full responsibility for any risks of loss, property damage or personal injury, including death, that may be sustained by me, or any loss or damage to property owned by me, as a result of my being a participant in the Program, whether caused by the negligence of releasees or otherwise.
3. I further hereby agree to indemnify and save and hold harmless the releasees and each of them, from any loss, liability, damage or costs they may incur due to my participation in the Program, whether caused by the negligence of any or all of the releasees, or otherwise.
4. It is my express intent that this Release shall bind the members of my family and spouse, if I am alive, and my heirs, assigns and personal representative, if I am deceased, and shall be deemed as a Release, Waiver, Discharge and Covenant Not to Sue the above named releasees.

In signing this release, I acknowledge and represent that:

- A. I have read the foregoing release, understand it, and sign it voluntarily as my own free act and deed;
- B. No oral representation, statements or inducements, apart from the foregoing written agreement, have been made;
- C. I, my parent or guardian is at least eighteen (18) years of age and fully competent;
- D. I execute this Release for full, adequate and complete consideration fully intending to be bound by same.

In witness whereof, I have hereunto set my hand and seal this ___ day of _____, ____
