Dear patient,

We would like to take this opportunity to thank you for choosing Huntsville Hospital Physician Care for your primary medical care and to welcome you to our office. We are pleased that you have chosen us to provide you with medical services.

Our website (huntsvillehospital.org/find-a-doctor/huntsville-hospital-physicians-offices) should help answer any questions about our office. We want you to know about our office services and what to expect at the time of your first visit.

Please call our office at the number on the left to schedule your new patient appointment prior to completing the New Patient Forms found on our website. We prefer that you mail, fax or drop off the completed forms prior to your appointment. If unable to do so, please bring the completed forms with you to your appointment. Bring your identification cards, insurance card and medication bottles, as well as your co-payments and/or deductibles the day of your visit.

We ask that all new patients arrive **30 minutes** prior to your appointment time, so you can be seen by the provider at your scheduled time.

If you are unable to keep your appointment for any reason or if you are going to be **15 minutes** or more late, please call our office as soon as possible. We will be happy to reschedule a more convenient time for you.

Sincerely,
