

Dear Patient,

We would like to take this opportunity to thank you for choosing the Huntsville Hospital Lung Center for your medical care and to welcome you to our office. We are pleased that you have chosen us to provide you with medical services. Our website (huntsvillehospital.org/hhlung) will help answer most questions about our office. We want you to know about our office services and what to expect at the time of your first visit.

We prefer that you mail, fax, or drop off the completed new patient forms prior to your appointment. If unable to do so, please bring the completed forms with you to your appointment.

We ask that all new patients arrive 30 minutes prior to your appointment time, so you can be seen by the provider as close to your scheduled time as possible. Please be sure to remember to bring the following items to your appointment:

- Identification card
- Insurance card
- Medication bottles
- Co-payment and/or deductible
- If you are currently on CPAP, please bring your SD card

If you are unable to keep your appointment for any reason or if you are going to be 15 minutes or more late, please call our office as soon as possible. We will be happy to reschedule a more convenient time for you.
