

Dear Athlete of the Year Participant,

The school year is underway which means the next Athlete of the Year is waiting to be recognized. There could be a special student-athlete attending your school, in your class or...it could be YOU!

Huntsville Hospital Sports Center and The Orthopaedic Center Sports are searching for the 2022-23 Athlete of the Year, TODAY! We are looking for male and female student athletes who excel in all areas.

Each nominee must be a high school senior, outstanding scholar athlete with a minimum 3.5 GPA. They should have a history of academic and athletic accomplishments, as well as community and/or civic involvement. We ask that you help bring recognition to these accomplishments and the student-athletes who achieved them.

Applications can be mailed in, along with a photograph, to the address on the application form. You can also visit the AOY website at www.huntsvillehospital.org/aoy, download an application form and e-mail your form, along with an attached photograph, to athlete@hhsys.org.

A panel of judges chooses four weekly winners each month from August 2022 through May 2023. Each Athlete of the Week winner is eligible for one of two \$1,000 scholarships that will be awarded at the Athlete of the Year Awards Banquet in May 2023.

Winners are announced through our social media accounts. Be sure to stay connected with Huntsville Hospital and TOC Sports on Facebook and Twitter for updates and announcements.
