

HUNTSVILLE, AL

Our community represents military, space, telecommunications, biotechnology, diversified manufacturing and a variety of emerging specialties that provide challenging work in delightful surroundings. The area enjoys a favorable cost of living and quality of life. Mountains, lakes, woodlands and the Tennessee River accommodate numerous recreational activities. A temperate climate enhances the season for outdoor sports, including world-class golf, hiking, biking, and fishing. Major concerts, Broadway and symphony performances, extensive permanent collections and traveling exhibitions contribute to a wonderful way of life.

PEDIATRIC ENDOCRINOLOGIST

Help Huntsville Hospital establish a general pediatric endocrine practice. In addition to outpatient care, the practice physician will provide inpatient consultations at Huntsville Hospital for Women & Children, which offers a the region's only dedicated pediatric ER, pediatric ICU and Level III neonatal ICU. Acute inpatient care will be provided by pediatric hospitalists and pediatric intensivists.

Huntsville Hospital is a 971-bed hospital that serves as the regional referral center for North Alabama and southern Tennessee. Our Emergency Departments treat approximately 160,000 patients per year. The hospital has 24/7 Hospitalist, Radiology, Cardiology, Orthopedic, Trauma and Neurosurgical coverage. The hospital also has dedicated Adult, Cardiovascular, Neurological, Surgical/Trauma and Pediatric ICUs. The hospital has been designated as one of three Level I trauma centers in the state.
