

HUNTSVILLE, AL

Our community represents military, space, telecommunications, biotechnology, diversified manufacturing and a variety of emerging specialties that provide challenging work in delightful surroundings. The area enjoys a favorable cost of living and quality of life. Mountains, lakes, woodlands and the Tennessee River accommodate numerous recreational activities. A temperate climate enhances the season for outdoor sports, including world-class golf, hiking, biking, and fishing. Major concerts, Broadway and symphony performances, extensive permanent collections and traveling exhibitions contribute to a wonderful way of life.

SLEEP MEDICINE PHYSICIAN

Huntsville Hospital Sleep Disorders Center is seeking a BE/BC physician. The sleep program has been certified since the mid-1980s as a Sleep Center and offers a full range of testing including nocturnal polysomnography, positive airway pressure titration, home sleep testing, MSLT and MWT testing and actigraphy. End tidal CO₂ monitoring and designated rooms are offered for pediatric patients. The center sees a full range of patients including sleep disordered breathing, movement disorders, insomnia and hypersomnia evaluation and treatment. The center offers services in Huntsville, Madison and Decatur and has 16 beds available for testing between the facilities.

Huntsville Hospital is a 971-bed hospital that serves as the regional referral center for North Alabama and southern Tennessee. Our Emergency Departments treat approximately 160,000 patients per year. The hospital has 24/7 Hospitalist, Radiology, Cardiology, Orthopedic, Trauma and Neurosurgical coverage. The hospital also has dedicated Adult, Cardiovascular, Neurological, Surgical/Trauma and Pediatric ICUs. The hospital has been designated as one of three Level I trauma centers in the state.
